Philadelphia, PA, August 30, 2022 -- **Dîner en Noir – Philadelphia** invites its Philadelphia metro community to attend its **Dîner en Noir – Philadelphia, 2022 Event (#DENPhilly22)** community fundraising event which will take place on **Saturday, October 1, 2022, from 5:00-11:00 PM**, at a **secret location in the City of Brotherly Love**. **#DENPhilly22** is excited to announce non-profit organizations **Rock to the Future & Entrepreneur Works** as this year's Community Award Recipients. These local organizations exemplify the mission of Dîner en Noir and will serve as the event's financial beneficiaries where members & guests, consisting of local small business owners/entrepreneurs, artists/art lovers, city/community leaders & advocates, and social/media/cultural influencers, will enjoy a 3-part immersive dining experience consisting of an Aperitif Cocktail Hour Welcome Reception, Seated Dinner, and Digestif "After-Dîner" Party.

"I was very clear from its inception in 2016, that the aim of Dîner en Noir would be to support the local arts and small business communities of our Host Cities," said Dîner en Noir's Founder and President, Howard Nelson Cromwell when asked what sets Dîner en Noir apart from its counterpart. "As a member of several disenfranchised communities and the founder of an international organization, it is vital that our community-based events continue to give more to our Host Cities than we take. From planning to execution of the event, this is the goal and it's all by design." said the native Philadelphian.

Dubbed *THE Chicest Networking Event of the Season™*, Dîner en Noir is both an artistic & business networking opportunity and a fun, elegant way to support, recognize, and celebrate the work of the local community.
